## WHAT IS THE SPARTACUS CLUB?

THE SPARTACUS CLUB is an elite body of gay travellers who use The Spartacus Gay Guide, and who appreciate the extra services offered by The Club to help them have the maximum benefit and enjoyment from their travels.

## THE MEMBERSHIP YEAR.

Memberships are annual, and run from 1st January to 31st December each year.

There are several choices available to you. You can just order the latest (1991/92) edition of The Spartacus Guide, published March 1991. This does not give you any of the club membership benefits. You can also order now, the next edition, due March 1992, at today's prices, or both together.

Or you can join THE SPARTACUS CLUB, and receive The Spartacus Guide every year you are a member. Your copy of the Guide is included in your membership fee.

There are three periods of membership. A ONE year membership runs from the time you join, until the end of the current year. A TWO year membership is available if you have already bought a copy of The Spartacus Guide from Spartacus International Limited, and want to up-grade to Club Membership (including the NEXT edition of Spartacus). If you have bought one from another source you can write to us for a special arrangement. Or you can take a SIX year membership for the price of five years. This gives you six editions of The Spartacus Guide, and membership from now until the end of 1996. Six year memberships are very popular because it means that you are buying at 1991 prices. Undoubtedly there will be price increases during the next six years.

ONE and SIX year memberships always start with the current edition of Spartacus.

Join as early as possible in the year to obtain maximum benefit.

## MEMBERSHIP BENEFITS.

### HOLIDAY HELP PORTFOLIOS.

Spartacus Club Holiday help Portfolios provide in-depth information on the gay and tourist scene in various places around the world. These essential publications are frequently updated, and are individually prepared to suit your personal needs. They are only available to club members, and must be ordered six weeks before departure date to enable us to prepare your personal copy. See separate brochure.

### A DISCOUNT OF 10%

Club members may deduct 10% discount from books in our price codes 10, 15, 20, 25, 30, 50, E1, E2, U1, U2, and U3. This discount does not apply to the membership fee itself, nor to the Holiday Help Portfolios or Holiday Introductions service - these are special members services and are priced nett.

### HOLIDAY INTRODUCTIONS.

We have an ever-increasing list of interesting people who want to meet you when you visit their town, and show you their local gay scene. On your first visit to a strange place, a local friend to welcome you adds so much pleasure to your vacation.

### SPARTACUS GAY TRAVEL JOURNAL.

We hope to start publishing the club's own house journal, planned to be published five times a year, and free to members. Publication will commence as soon as a new editor is found. We plan to carry features and reports from around the world, as well as a free advertising section for members.

### JOIN FOR SIX YEARS - PAY FOR FIVE!

This means that you receive the Guide and Journal throughout 1991, 92, 93, 94, 95, and 96, but you pay for only five years at 1991 prices.

Dear 

*A personal note from John D. Stamford*

We note that you were on the Coltsfoot Press/PAN magazine mailing list. Both Coltsfoot and PAN are suspended following the problems which they ran into in 1986. We hope eventually to find a suitable buyer to continue these publishing activities, in which case we will let you know what happens. Meanwhile, may I take this opportunity to draw your attention to the enclosed brochure of photo-books. You will find Cheerful Boys especially interesting, and as it is not pornographic, it is safe to import throughout the world. It depicts colour photographs of boys enjoying their happiest moments. You may also find in our Guides brochure that Spartacus, De Onda Mexico Guide, and A Philippine Diary, will be of more than passing interest to you.

We look forward to receiving your response to this letter, hopefully in the form of an order, but in any case telling us that you are still there, and giving us your full correct address and post code, if we do not already have it.

*John D. Stamford*  
Editor and Director.
